Multihog CV: Multi-Purpose Compact Tractor & Sweeper

The Multihog CV is an all-season compact municipal tractor built for efficient year-round tasks. Powered by a 75 HP diesel engine, it delivers up to 40 kph (25 mph) travel speed, hydrostatic drive and articulated steering for tight manoeuvres. With a 1.5 m³ (2 yd³) hopper, quick-change attachments and a smart, ergonomic operator cabin featuring one-button mode changes and digital controls, it simplifies sweeping, mowing, snow duty and more in busy urban environments.

CV Highlights

Ultra-Clean Engine

75 HP Hatz engine, meeting Stage V / Tier 4 final emissions regulations without requiring Ad Blue.

Easy Double Access

Entrance point has been re-designed for easier entry and exit, and both doors are fully functional for access.

Armrest & Controls

All sweeper functions are controlled from a fully adjustable, floating ergonomic armrest, giving the operator precise control.

Minimised Noise Pollution

Powerful performance at lower fan speed and engine RPM ensures noise pollution is minimised for night operation.

Large Operator Cabin

The new cabin is much bigger, and has a more spacious and comfortable feel for operators working long shifts.

Superb Heating & A/C

Heating and Air Conditioning functions have been supercharged to deliver even more effective airflow in the cabin.

Onboard Diagnostics

Large in-cabin screen displays the machine's critical diagnostics for super simple remote troubleshooting.

Incredibly Simple Operation

Switch from drive mode to sweep mode and back again with a single button, enabling fast, seamless transitions.
